Description: On 25th September 2025, I received a phone call from a person claiming to be a bank representative. He informed me that my debit card would be blocked if I did not verify my account details immediately. The caller asked me to share my OTP, which I received on my registered mobile number. Believing it to be genuine, I shared the OTP. Soon after, I noticed that ₹45,000 was fraudulently debited from my bank account in two transactions without my consent. I realized that I had been cheated by a cyber fraudster who misused my bank information. I request immediate action to trace the culprits and recover my money.
